

Tenant Occupied Properties

This property's suite is rented month-to-month and receives a monthly income of:
\$ _____.

This will help to defray costs and pay off your monthly mortgage payments.

In B.C., month-to-month renters must be given two months notice to vacate when a property is sold. Such notice to vacate must be received by the tenant on or before the last day of a rental payment period. For example, if rent is paid on the 1st of the month, a notice received on March 31st effect 1:00 PM on May 31st.
